## *Announcement*

Ahhhh, here comes winter! The crisp air, sledding, and of course a great time to get into a nice warm hall and do some dancing. Break out the hot chocolate – here we come!.

Last month I mentioned an opportunity. With no takers I want to try again. At the USA West Convention visiting with a Caller, Andy Garboden, and he was telling me about the Alzheimer's Benefit Dance that he and Joe Dehn do. It's been done in Washington for the last 11 or 12 years and want to promote this to all 50 states. If you or your club are interested, please contact me for details.

## *A note from the Editor*

A little thinner this month. Looks like everyone is going to hold off for next year.

Look out for those last minute Christmas dances and of course New Years. Everyone that is traveling this season be safe, enjoy your travels, family and friends. We look forward to seeing you on the dance floor soon.

Any ideas? What can we add to BSN to make it better? Your idea is important – send me an email and let's see what we can do

As a reminder, the Big Sky News will NOT be emailed out. Please visit Montana Square Dancing to download or read online.

Hey, I thought I'd make some space for the President of the State Board to comment. So here it is.

**Biographies:**  
**Caller: Scot Byars**  
Scot began dancing at the early age of 6, and was calling by his early teens in the San Francisco Bay Area. He was club caller for a teen club, a pre teen club, and an adult club with 25 squares.

Between growing up and moves up and down the state of California, Scot has continued teaching new dancers as well as calling for dances, festivals and intro nights. He has been a full time caller since 2003 and estimates he has taught over 3000 people to square dance. Scott continues to call for 5 active clubs in the Sacramento area still finding time to call for dances and festivals in California and nearby states.

**Cuer: Barry & Bobbie Bartlette**  
Barry began square dancing in 1979, started calling in 1980, and cueing in 1982. He was a club caller in Colorado, Wyoming, and Montana as he transferred with his hydro-electric career. Bobbie began dancing in the late 50s as her dad, Ray Granger learned to call. She took a few years off to chase children to activities returning to dancing in 1990. Barry and Bobbie met in 1996 at the State Festival in Billings, MT and became a team, dancing and teaching soon after. In 1998, when Ray passed away, they began co-managing the Square Dance Center & Campground in Lolo, MT. Barry is the staff caller at Lolo. They teach square and round dancing and choreograph rounds.

## Yellowstone Square Dance Council – Billings

by Ann Hindley

Greetings from the other side of the state!

We survived another N.I.L.E. invasion; no cattle pens or used bedding piles in front of the hall this year, just a whole lot of parked trailers. Our dancers were determined though, so we parked where we could and enjoyed our dancing in spite of it all.

We contributed half a square toward the support of the local medical community this month. Thankfully Lorraine, Peggy, Diane and Barb are all recovering now. We pray for their continued progress and look forward to having them back soon. We miss them!

Unfortunately, this is also the time the snowbirds are leaving in droves. We'll miss them, too, but wish them happy dancing even in that nasty hot weather.

There's still plenty of dancing going on around here. With Larry coming north now and then and Hunter filling in, the Silhouettes will be dancing more than their usual twice a month this winter. Hunter's Tuesday workshop/dances are proving to be challenging but very interesting, educational and just plain fun. Checkerboards on Thursdays and the Plus dances on Saturdays are very well attended, and dancers are also happy that Contradance Billings has increased dance nights to twice a month.

Coming up we have our annual all callers Christmas Dance on December 8 and the New Year's Eve dance and breakfast with Lynn on December 31. In the new year, we're looking forward to the Plus Day in Forsyth with Lynn and the Checkerboard Squares Spring Dance with Lynn and Larry on March 19. It's not too early to mark your calendars for the Spring Dance in Cody, also with Lynn, on April 26 and 27.

We wish you all a wonderful and safe Christmas season with safe travel, family fun and plenty of dancing for all!

We hope that everyone is enjoying the holiday season and can spend it with friends, family and dancing.

We will have our New Years Eve dance on December 31st from 8-Midnight with a Pot Luck starting things off.

Hope everyone has a safe and good New Years Eve. See you in 2019.

The “**MONTANA MAVERICKS**” November dance on the 3rd 2018 was held at the bank with Adam Christman & Lorrie Lane. We had about 2 squares in attendance with 4 guests among them. It was a really fun dance – sorry you missed it.

Our December dance on the 1<sup>st</sup> day of the month will feature Gary Baker of Spokane & Lorrie will be cueing. There will also be an after party with a \$10 gift exchange at my home – everybody welcome. C’mon over!

October thru May we dance the first Saturday at the First Security Bank in Plains. 2<sup>nd</sup> Saturday during the summer months.

I am now hearing that for those who agree to work at the National 2020 in Spokane – there will be funds paid to your club. The funds must be allocated for “Education”. Seems to me that would be a worthy cause for all of our clubs.

Any questions call Darlene at 826-8951
